Please read the following License Agreement below carefully.

SOFTWARE LICENSE AGREEMENT

IMPORTANT READ THIS AGREEMENT BEFORE YOU CONTINUE WITH INSTALLATION

This is a Licensing Agreement and you, the customer (hereinafter referred to as the "Licensee") agree to become a Licensee of ICER-2-GO, LLC. (hereinafter referred to as the "Licensor") when you install this program. Upon installing this program, Licensee hereby consents to be bound by the terms contained in this Agreement as set forth below. Licensee does not own the expression which includes, but is not limited to, the Software Program and related materials, including written materials, binders, and other containers (hereinafter referred to as the "Program") contained within this Computer Software Package. Hence you, as a Licensee, will not be an owner of this Program; the ownership of the Program contained within this install package is owned by the Licensor, and will continue to be owned by the Licensor. If you do not wish to become a Licensee of the Licensor, then you should return this Program, uninstalled, for a full refund.

1. Copyright Infringement. Because the Program contained in this Software Package is owned entirely by Licensor and because as a Licensee you have the right only to use this Program, you do not have the right to copy the Program except as set forth below. Copying of this Program, except for copying that is within the terms of this Agreement, results in copyright infringement and will make you liable to Licensor in a copyright infringement lawsuit, or any other legal or equitable action.
2. Licensee Rights and Conditions. Licensee agrees to abide by all the following rights and conditions:
 - a. The software is licensed to an individual person. If the Licensee wishes to use the software for additional people or family members, a separate license may be purchased.
 - b. Licensee is entitled to make copies of the Program for archival purposes and for no other purpose. "Archival purpose means the copy is being made for "back up" in case the computer breaks down or in case the original
